WE ALSO PROVIDE ATL AND BTL MARKETING SERVICES.

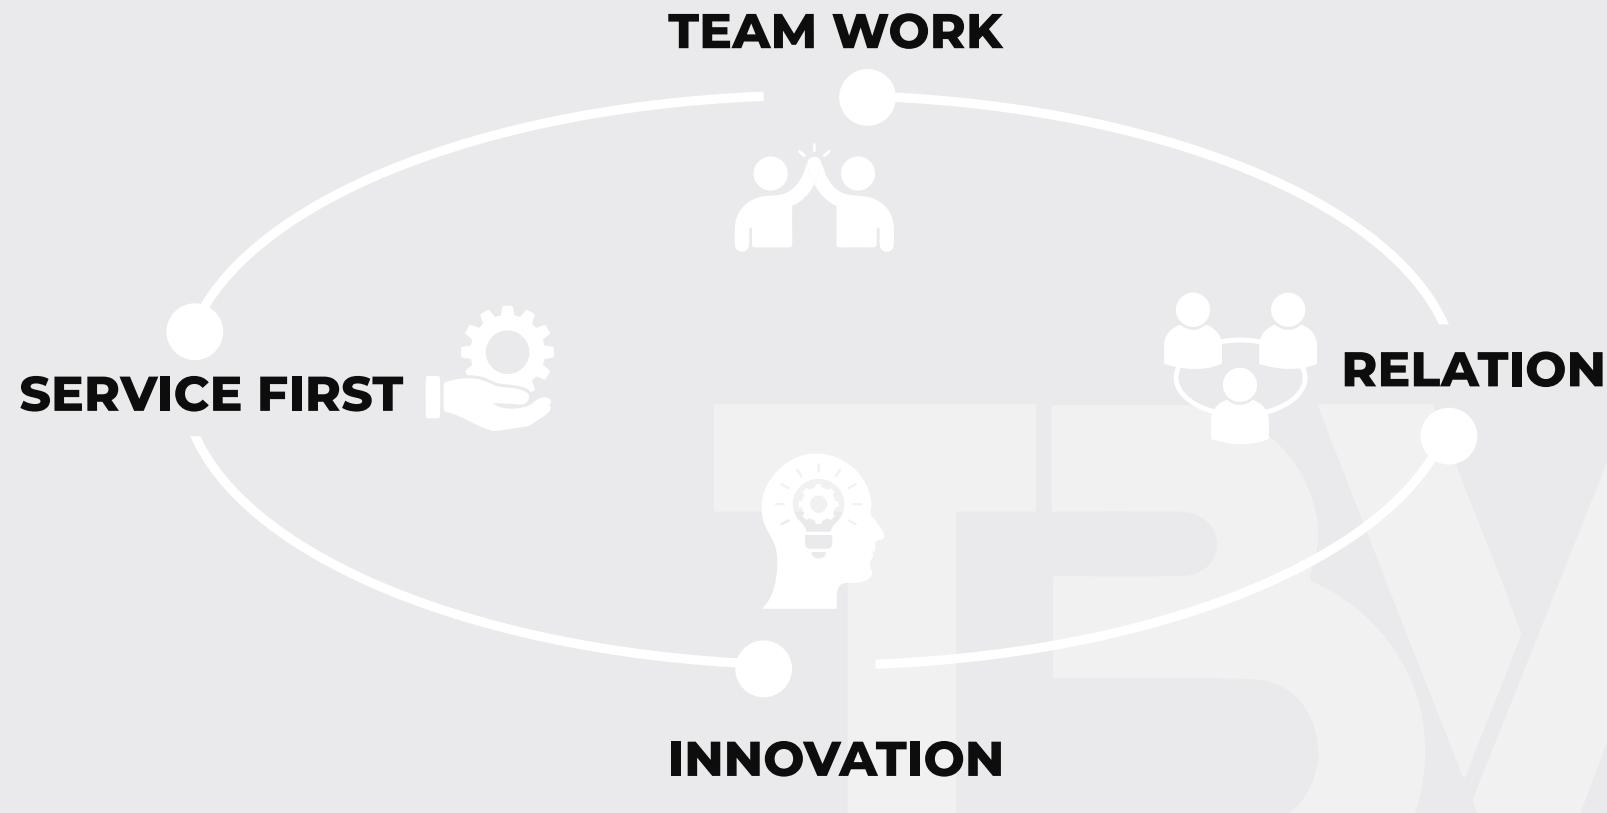

ATL marketing approach establishes goodwill and highly builds brand awareness through widespread campaigns. It includes marketing through TV ad-campaigns, print media and radio broadcasts which reaches a multitude of different people over a large area.

BTL marketing, however, is used to aim specifically targeted individuals that have been identified as potential customers. Popular BTL strategies include outdoor advertising, billboards, flyers, direct marketing, such as utilising email and social media, and sponsorship of events. BTL is oriented to Return on Investment (ROI), gaining user conversions and ensures direct targeting to the consumers for the product. This form of marketing is usually easily quantifiable with the advantage of highly trackable results.
